

**WHITECOTES PRIMARY ACADEMY SPORTS FUNDING PROJECTION**  
**ACADEMIC YEAR 2016 / 2017**

*National sports funding has been spent well. It has been used, for example, to improve the proficiency of staff in teaching skills in specialist activities, such as gymnastics, and to increase pupils' participation in a wider range of sports and competitions. Actions taken have been evaluated, using a range of criteria, to assess the impact on pupils' health and well-being. For example, balance bike training has enabled many younger pupils to cycle competently by the end of the programme.*

**Ofsted Inspection Team, (14-15 January 2015)**

This year we have been allocated £8945 (189 pupils eligible). This funding has been directed towards promoting, developing and sustaining healthy active lifestyles across all year groups. All PE specialists will support the children and adults to learn and develop a variety of skills, strategies and subject knowledge.

We are accomplishing these aims through a variety of approaches and support including:

| <u>Specialist PE Coach after school club</u><br>£40 per session £760 (19 weeks)<br>(Children to pay £1 per session 30 ch max.<br>potentially £190 for sports coach) | KS1 and KS2  | Provided opportunities for children to engage in sports activities at a low cost to promote healthy active lifestyles. Children have grown in confidence and have formed friendships across year groups.   |
| <u>Tai Chi / Kung Fu after school club</u>  | Whole school invitation  | Children have acquired a high skill set in martial arts and have developed core strength, balance, rhythm and coordination. They have trained to create a polished team performance involved advanced movements and interchanges. This was performed alongside the other classes to the parents. It enhanced self-esteem and confidence. In turn, it raised the profile of PE in our school and local community. |
| <u>National School Sport Week</u><br>Fitness Frenzy with Tai Chi instructor £80   | Whole school   | Led by y5 pupils who delivered workshops across the whole school. This developed leadership, organisational and fundamental skills. Tai Chi Fitness Frenzy enable the school and local community to come together to raise the profile of sport and celebrate our achievements.  |
